

# CURICULUM VITAE

## GAVRIL MARIN

Born on 04.06.1956 in Mîr ani, Dolj County, married and father of two children (Gavril Laura Oana, born on 02.06.1981 and Gavril Alin Cozmin, born on 03.04.1987).

I have graduated Elementary school and Gymnasium in Mîr ani, Dolj County from 1963 to 1971, Electrotechnical Highschool – Craiova from 1971 to 1976 and Electrotechnical Faculty of Craiova, from 1977 to 1982, magna cum laudae.

I have achieved a specialty at Free University from B ruxelles in 1985 under the guidance of prof. PhD. eng. Patigny J.

During my professional activity at Chemical Plant -Craiova (1982 – 1984), I work as automatic engineer, and from 1984 I'm teaching at University of Craiova, Electrotechnical Faculty (1984 – 2000) and at Electrotechnical, Environmental and IT Engineering Faculty from 1990 – present as junior lecturer and lecturer.

I am member of Scientifically Societies such as: A.G.I.R. and S.I.A.E.R.

Scientifically Experience:

- I have contributed with 33 papers at journals, national and international conferences, as single or main author.;
- I share my contribution at the achievement of 9 scientifically research grants (as supervisor or collective member), whom beneficiary were: S.C. SUINPROD S.A. Caracal, Regia de Termoficare Craiova, Registrul Nav al Român, ICPE Bucure ti, Combinatul Chemic Craiova, Ministerul Educa iei i Cercet rii, CNCSIS;
- I have published one guide for Students use and one Maine Lecture in Craiova's University Publishing House, one Hydraulically Tests book in Radical Publishing House, and 2 Lecture Books in Universitaria Publishing House in 2003. The books are written in Romanian language and 3 of them are written in French language.

I'm teaching the specialties:

1. Hydropneumatical equipments;
2. Air-conditioning equipments.
