Good	Good
Good	Good

## ORGANIZATIONAL SKILLS AND COMPETENCES

*Coordination of people, projects  
at work.*

The university teaching provided me an important experience in training activities and that it allowed me to acquire relevant competences and expertise in communication with different persons.

As asistant, I was involved in the training of the undergraduate students regarding their final graduation thesis proposal. According to this goal we established together the research schemes and during the research period we followed together the field trials behaviour and the statistic analysis of the results.
