Social skills and competences

***) Common European Framework of Reference for Languages**

Team spirit: I am experienced in teamwork since college, when I participated in the activities required by practical and researchment projects held within Faculty; I have continued to consolidate this experience as an employee in the administration posts held during the service within SC Energetical Turceni Power Plant SA.

National/international projects
06.2007 -:- 10.2007

CNMP – Programe 4 – PREVCOMPOL “*Researchment regarding the growth of energetical and economical efficiency in the fossil fueled power plants connected with the decrease in the resulting noxes.*”

2008 -:- 2009

CNMP – project no. 2258 - “*Development of fine and highly resistive dust retention technology by radio frequency and low power alternate energization - MEDENER*”

2008 -:- 2009

CNMP – project no.3654- “*Prevention and refutal of air pollution by high solid fuel combustion plants by increasingly safe motion methodes and improvement of maintenance and dust removal performances. Case study for a dust removal facility with a lenghtened operating life.*”

Organisational skills and competences

I am experienced in teamwork and project management.

Technical skills and competences

Currently I am Chief Office of Advising and Optimizing Industrial Process whose purpose is the management, maintenance and repairing of software programs and equipment within the Society’s processing computer network.

I am experienced in logistics as a result of my professional training gained at work..

Computer skills and competences

Electrical and electronic equipment troubleshooting, processing computers, printers and others electrical industrial apparatus.

Expert in the following programming languages : Pascal, C, C++, FoxPro, Access, Oracle and graphical software: Corel Draw, Photoshop, 3D Studio Max

Artistic skills and competences

Graphical programming and design

Other skills and competences

Hobby: cycling , photography, horticulture.

Driving licence

B Category since 1991
